

## ESCO SXDP Super Extreme Duty Plate Lip

The SXDP – Super Extreme Duty Plate Lip Bucket was developed for the most severe, high wear applications. It includes all of the ESCO XDP bucket features plus an extreme duty wear package providing more cast wear protection than any other ESCO construction excavator bucket.

### **SXDP — Extreme Duty Bucket Features:**

- Double Cast Shrouds on Each Wing
- Cast Corner Wear Shoes (Heel Bands)
- AR400 Horizontal Wear Kit and Vertical Wear Pads
- Cast Weld-on Lip Shrouds
- Chisel Points for Penetration and Strength
